By BRAD CHADWICK
news@sundaysport.co.uk

A PERVERT has been arrested for having sex in the shower with his pet CAT.

Cops responded to a call of a feline in distress at a doss house in Mesa, Arizona.

A witness told them that Michael Navage, 40, who is of no fixed abode, had taken his pet cat [illegible] bathroom.

DAILY STAR, APRIL 2

[illegible] screaming when he got his manhood stuck inside the moggie after allegedly trying to have sex with it.

In his defence, he said he was only drying his pet off with a towel.

However, one witness said he heard Navage calling the animal a "whore".

Navage denies having sex with the cat, which he claims he raised from being a kitten.

DAILY STAR

WE'VE always told you that *Sunday Sport* newshounds are quicker out of the traps than our dog-tired rivals – and here's the proof.

Long time *Sunday Sport* fan Carl Weller wrote to us last week enclosing two cuttings about Arizona cat sex fiend Michael Navage.

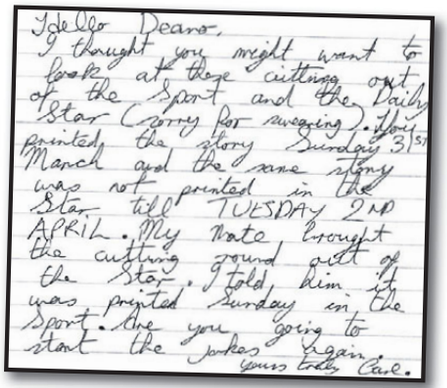
One cutting was from the fading *Daily Star* – recently taken over by the bores who make the *Mirror*.

The *Star's* cutting was from April 2. But Carl already knew all about the yarn – as he read it in *Sunday Sport* two days before!

Carl, of Cannock, Staffs, told us: "My mate brought round the cutting out of the *Star*. I told him it had already been printed in the *Sunday Sport*!"

So there you have it.

If you want the best news FIRST, stick with your *Sunday Sport*.



Hello Dears,
I thought you might want to look at these cuttings out of the Sport and the Daily Star (sorry for swearing). You printed the story Sunday 31st March and the same story was not printed in the Star till TUESDAY 2ND APRIL. My mate brought the cutting round out of the Star. I told him it was printed Sunday in the Sport. Are you going to start the jokes again
Yours Lady Cue.

Fortnite fan DIES after eating own weight in SKIPS

By JAYNE FERGUSON
news@sundaysport.co.uk

A FORTNITE addict was found dead in his own filth after apparently trying to live on bags of the savoury snack SKIPS while he engaged in the computer game phenomenon.

Puny Robert Perkins, 22, was only eight stones when he began his Fortnite marathon and only emerged from his bedsit in Walsall, West Mids, to buy his fave puff snack and cheap cider.

His emaciated body was found on the floor of his bedroom surrounded by thousands of empty Skips packets.

The cause of death is not yet known.

It's believed unwaged singleton Perkins may have consumed his own weight in the prawn cocktail flavoured snack.

Maggots

A source said: "We must be clear that a diet of Skips alone will not kill you, but it is hardly a balanced diet.

"We think that the cider may have played more of a part in his actual demise.

"That and a complete lack of personal care. This man actually shat in his pants while playing the game.

"There were maggots eating at his thighs.

"It's very sad. The dirty bastard."

DEADLY GAME: Robert even shat his pants while playing Fortnite *(below)*

Chinese plan monkey army

EVIL Chinese boffins have created a race of half-human killer supermonkeys with genetically-altered DNA.

They took a gene called MCPH1, which plays a role in the development of the human brain, and put it into 11 rhesus monkeys.

The monkeys' brains started to behave like our own species', helping them perform better in memory. It's thought the resulting monkeys, strong and with near-human brain power, could make up an unbeatable simian army.

A Ministry of Defence source said: "The godless bastards!"

Sex-grope coke-head walks free from court

A SEX pest who groped two teenagers when he was drunk and high on cocaine has avoided jail.

Noel Green, 33, walked free from Preston Crown Court over the attacks, which involved two girls aged 14 and 16.

Victim impact statements described how the lives of both his victims had changed "dramatically" since the attacks last July, with both girls scared to leave their homes.

A trial had heard how one of the victims was groped under her clothing by Green, from Accrington, Lancs, while he had tried to kiss the other.

Judge Simon Medland said: "It's a considerable rarity for me to suspend any sentence in a case of a sexual nature.

"However, you have already served two-and-a-half months in custody, which equates to five months.

"You have taken steps to free yourself from cocaine usage, at the time that these events were committed however you had taken cocaine and that undoubtedly affected your judgement."

Green was given an 18-month suspended sentence and must carry out 50 rehabilitation days.

Kim Jong-un call for dung

NUTCASE North Korean dictator Kim Jong-un has ordered citizens to give him their POO.

He believes his bizarre demand will save his country's failing economy by boosting farming production with cheap manure.

His starving population is expected to hand over a mound of human crap each and every day. If they can't, they have to supply compost instead.

The demand for manure means some workers have even asked to be paid in excrement rather than cash.

One source inside the weird state said: "The entire population has been mobilised to produce manure as the first major task of the year.

"It really is a shitty country."

Assange upset hosts with 'crusty w*nk sock'

THE real reason Julian Assange was kicked out of the Ecuador Embassy has been revealed – he kept leaving his crusty wank sock out for the cleaner to find.

Assange (*left*), 47, had been claiming political asylum in the London building and has been there for seven years.

But for the last two years he has been denied internet privileges after his hosts accused him of breaking their rules.

So instead of wanking off over internet porn he has instead amassed a collection of jazz mags delivered from his newsagent.

And when he spuffs his load, he wipes himself up with a sock. Then, when it is all solid through crusted spunk he leaves it out for the cleaner to deal with.

A source said: "I can understand being pissed off that he can no longer watch hours of hardcore see-it-going-in action but to leave your wank sock out in protest is not on.

"When the new president of Ecuador heard what was going on he acted. He claimed it was about international protocol or some such but that's a smokescreen.

"This was all about the wank sock."

In May 2017 *Sunday Sport* reported how Assange had upset his hosts by leaving huge unflushed floaters in the bogs.

THREE REICHS AND YOU'RE OUT!

'Attention-seeking' school governor's topless Nazi photo is last straw and she's sacked

TAUGHT A LESSON: Mrs Fordham

A BOOZY school governor who was warned she was "drinking at the last chance saloon" has finally been sacked – after she was photographed naked and covered in Nazi regalia.

By SIMON DEAN
simon@sundaysport.co.uk

Susan Fordham, 43, has been a parent governor at the Golders Green, north London, school – which cannot be named for legal reasons – for five years but a series of "unfortunate episodes" put her on thin ice.

At Christmas she was "openly drunk" at the school nativity play, and in February was criticised for giving an interview to a local paper in which she proudly boasted there were "no queers or lezzas" on the teaching staff.

Leaked

After that, she was warned that another outrage would lead to her sacking.

And that outrage came – big style – when the photo of her wearing two swastika armbands and with a Nazi eagle on her naked tummy emerged online.

It is not clear when the photo was taken or how it came to be leaked.

But chair of governors Pru Little said that Mrs Fordham was out, raging: "We've held off so far because she has two daughters at the school and we didn't want to upset them – especially as they were the ones utterly humiliated by her drunken antics at Christmas.

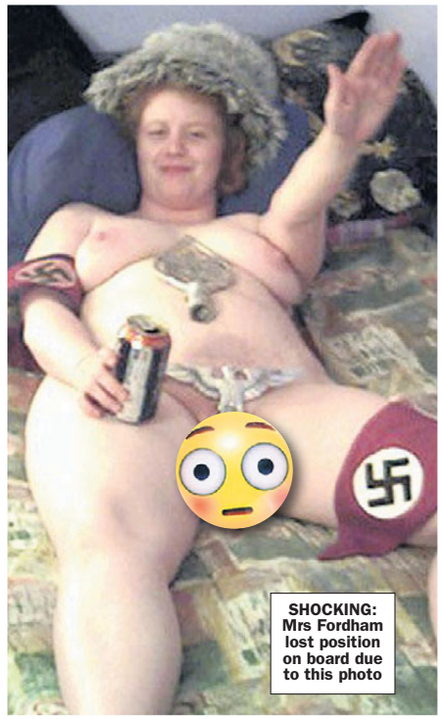
"But this is a step too far. Nazi regalia indeed!"

Ms Little added: "I do not think this lady is actually a Nazi as she is a member of the school's Friends of Israel group and is a vocal critic of certain politicians.

"She is merely an attention seeker. But this is the sort of attention the school does not need.

"For a start, Oftead [the schools inspectorate] take a dim view of it."

Last night, Mrs Fordham was reluctant to discuss the matter, telling our reporter to "f**k off".



SHOCKING: Mrs Fordham lost position on board due to this photo

Dad stabbed in bollocks by gang of yobs

A DAD suffered horror injuries after being repeatedly stabbed in his bollocks when he confronted "local scallies" outside his home.

The victim's house was apparently turned into a "bloodbath" and the aftermath of the attack was witnessed by his young children.

Sources described the victim, who is in his 40s, as a "family man" who has a full-time job and is "not involved in gangs or drugs".

One said: "He just stood up to the local scallies, basically."

The traumatic incident occurred in Dovecot, Liverpool, at 6.30pm yesterday.

The victim was attacked after a dispute in the street with what residents described as "the local scallies".

His partner and two of his young children arrived home and witnessed the bloody aftermath of the stabbing, which has left the house "a mess".

A source said the victim was repeatedly stabbed in the back of the legs, the groin and his testicles.

Cops said the victim, who is currently in hospital receiving treatment, was found with serious but not life-threatening injuries to his thigh and groin.

Brits turn blind eye to affairs

ONE-IN-FIVE Brits says they WOULDN'T dump their partner if they found out they had cheated.

A nationwide poll of 2,000 Brits found 19% said they would forgive their partner if they had sex with another person during their relationship.

The poll also found that 41% wouldn't ditch their partner if they caught them kissing another.

A total of 46% said they'd stay with their partner if they caught them "sharing a bed" with someone else, and 52% said they wouldn't dump a partner even if they found out they were using a dating app.

Of those polled, 76% said they wouldn't leave a partner if they found out they had a private lap dance.

Bosses at law firm Simpson Millar, which specialise in divorce, found 80% of Brits believed their partner had cheated even if there was no physical interaction.

HUSTLE BUSSELL: Darcey with other Strictly judges

THE world of dancing plunged into mourning last weekwhen it was announced Dame Darcey Bussell is to step down as a judge on BBC One's *Strictly*.

Darcey, 49, has been on the judging panel for seven series, having joined in 2012.

Dame Darcey said she was "not leaving because of any upset or disagreement", but to focus on "other commitments".

Gay

It has not yet been announced who will replace her on the ever popular dancing show. BBC sources confided to our reporter that it will "probably be a gay or an ethnic".

Anyway, never mind.

Here's a snap of Darcey's proud nips poking through her leotard in her ballet days.

Sex parties thrive in Brexit Britain

BORED BRITS are turning to sex parties to escape Brexit.

Saucy events company Killing Kittens revealed a 13 per cent rise in memberships month-on-month since October.

What's more, waiting lists for their secret soirees have doubled in a year.

Boss Emma Sayle explained: "The world stopped for a moment in 2016 when it was announced we're headed in to a divorce with the European Union. Brexit was born and it hasn't stopped crying since.

"However, amongst the current unease for businesses across the UK, we aren't feeling nervous.

"A business like ours, one that offers escapism from the realities of the everyday norm, thrives when there's political unrest.

'Debauched' belly dancer banged up

AN Egypt-based Russian belly dancer has been jailed for "inciting debauchery".

The sentencing of Ekaterina Andreeva – who's known by her stage name Johara (Jewel) – was passed by a court in Giza.

It comes almost a year after the dancer was arrested by police and interrogated "on charges of inciting debauchery and dancing semi-naked, as well as working as a dancer without obtaining a permit from the Manpower Ministry."

At the time, she was labelled as a threat "to public security due to her provocative dancing" by stupid camel herders.

Andreeva (*left*), 32, denied showing her minge but the court found she "wore a dance suit that is not in accordance with regulations."

She was released on bail during her trial and is now expected to appeal her one-year sentence. Officials have backtracked on deporting her.

Jacko filmmaker has shock sequel

DIRECTOR Dan Reed is planning an explosive sequel to documentary *Leaving Neverland* – to expose MORE horrifying allegations against dead meganonce Michael Jackson.

The British filmmaker hopes to bring other alleged victims of the superstar singer forward – including public accusers Jordan Chandler and Gavin Arvizo.

He previously revealed he decided to focus on the compelling testimony of James Safechuck and Wade Robson for his first film – despite interviewing cops who'd investigated Jackson.

Reed said he wanted to explore the probes into the eccentric entertainer prompted by the allegations by Chandler and Arvizo.

He said: "What's interesting is to look at the Jordan Chandler civil case and criminal trial.

"Those are two films I'd like to make. But Gavin and Jordan would have to come forward."

Jackson (*right*), who died in 2009, strongly denied all allegations of sexual abuse made against him.

***Leaving Neverland* is now HBO's second most watched documentary of the last decade behind bombshell Scientology expose *Going Clear*.**

Emma: I feel left out over Spice lesbo fling

EMMA Bunton joked that she "felt a bit left out" after learning of Spice Girls bandmates Melanie Brown and Geri Horner's alleged lesbian fling, as she dismissed reports the revelation has caused tension ahead of the group's upcoming tour.

Speaking on *The Jonathan Ross Show*, the singer addressed Brown's comments, made while filming an episode of *Piers Morgan's Life Stories* last month, telling the presenter: "I must admit, I was like, 'What about me?' I felt a bit left out."

Emma insisted that the group's reunion tour would be going ahead despite the drama, with rehearsals expected to begin tomorrow.

Emma added: "Of course it's happening, we're starting rehearsals on Monday.

"It's all fine. We have all chatted about it.

"We had fun back in the day. I didn't know anything else but we are all good.

"We can't wait – we've all been chatting, it's all good."

Emma, 43 – who earned the nicknamed Baby Spice – released a solo album *My Happy Place* last week.

Snowflakes spark hole racism row

SNOWFLAKES are calling for astronomers to rename black holes, claiming it is racist.

The world was thrilled last week when boffins produced the first image of a real black hole and released it to the world.

It was created using data from eight radio telescopes known as the Event Horizon array.

But while most of the planet was marvelling at the cosmic nature of the most powerful and destructive phenomena in the known universe, campaigners were busy getting their knickers in a twist.

Meadow Summerweet (*above*), 30, chair of the Melting Pot Community Foundation said: "Why is this called a 'black' hole?

"It's because it is a negative thing and the institutional racism of all academia means they have to call it black because they think of black people as negative.

"It should be a 'white' hole to reflect the harrowing history of white colonialism consuming all native resources before it."

Joseph Oliver became aggressive towards guests, staff and a taxi driver at the Premier Inn.

Without provocation, the half-naked 43-year-old threatened to attack one hotel guest if they did not give him money.

After a scuffle, he grabbed the guest's bags and tried to steal them.

When the victim tried to get into a taxi they had ordered, Oliver tried to steal it, but the cab driver was able to grab the keys back and cops arrived soon afterwards to arrest the would-be robber in Sittingbourne, Kent.

Oliver, of Sheerness, admitted attempted robbery at Maidstone Crown Court was jailed for 18 months.

It did not emerge why Oliver was wearing women's tights.

Is Rees-Mogg REALLY behind this vile photo?

HARD-LINE TORY: Jacob Rees-Mogg

FAKING HELL: Corbyn appears to thrust into PM from behind

By SIMON DEAN
simon@sundaysport.co.uk

ALLIES of Brexit extremist Jacob Rees-Mogg have been blamed after a FAKE photo of Jeremy Corbyn shagging Theresa May leaked online.

The explicit sex pic of a couple having doggy-style sex has been doctored so it looks like the Labour leader is thrusting into the embattled Prime Minister.

At first Russians – who are known to use high-tech fakery to destabilise western democracies – were blamed for the indecent outrage.

But sources at the Government intelligence service GCHQ have concluded that the image was made in THIS COUNTRY – using British imaging technology.

A spy insider said: "The people who are most angry at Mrs May inviting Jeremy Corbyn to talks about Brexit are the hard-line Conservatives surrounding Jacob Rees-Mogg.

"We don't think Mr Rees-Mogg himself perpetrated this outrage as it's unlikely he has the IT skills needed to assemble the bogus image.

"But there are plenty of others in the hard Brexiteer camp who may have come up with this, to win favour with their spiritual leader."

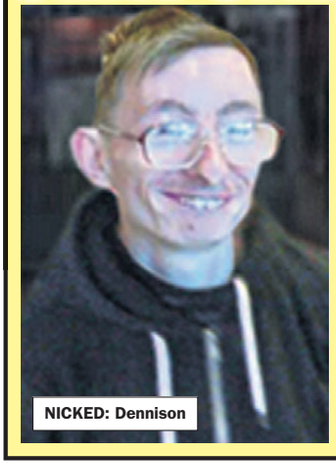
Mr Rees-Mogg is chairman of the European Research Group – hard-line Brexiteers who would rather see a 'No Deal' departure than any watering down of Brexit.

If they are resorting to fake pics, it could point to growing desperation in the ERG ranks.

Last week a pro-Leave Tory MP quit the European Research Group after complaining it's "endangering" Brexit by refusing to support Theresa May's deal.

AND IF THAT'S NOT OFFENSIVE ENOUGH...

SEAT SNIFF PERV TARGETS PM'S SOFA



NICKED: Dennison

INFORMAL: May's sofa chat video

A NOTORIOUS seat sniffer was arrested at gunpoint as he tried to scramble over the back wall of 10 Downing Street.

Clinton Dennison, who likes to snurge the seats of the rich and famous, was "milliseconds" from being shot dead by marksmen as he tried to gain access to the Prime Minister's London home.

Witnesses say the pervy 34-year-old – originally from Crewe, Cheshire – cried: "But the sofa! The sofa!" as he was handcuffed by specialist officers.

It's believed Dennison was referring to the sofa which the PM sat on last week for her "chat" with the British public about her progress on Brexit.

A police insider said: "For a snurger like Dennison, the PM's sofa would be like the Holy Grail."

It's believed Dennison is being held under anti-terror legislation, so it will be a while until we see him again.

Theresa May used her "sofa chat" to set out an ultimatum between her deal or no Brexit.

The video statement was shared on social media.

Commentators said that Mrs May was aiming to look more relaxed with the informal setting – and failed dismally.

THE VOICE OF YOUR BRITAIN

Courts must protect our PM's bottom

SAY what you like about Theresa May – and people do – you cannot fault the woman's pluck and tenacity.

Sticking to her guns and her word, the Prime Minister is fighting a shifty Opposition, her own backbenchers, slippery foreign bureaucrats and the weight of public opinion.

It would have broken a lesser woman.

It is testament to her good, English, Christian values that Mrs May battles on and does her duty, whatever brickbats are thrown her way.

So it is intolerable that, at this time of national crisis, perverts are attempting to exploit Mrs May's vulnerability to inhale her sweet arse vapours.

Notorious snurger Clinton Dennison has, for many years, entertained the readers of this newspaper.

His antics – attempting to sniff the bicycle seat of almost-Royal Pippa Middleton, for example – have raised smiles in a gloomy nation.

But, by targeting the PM, by attempting to sniff the sofa from which she delivered her latest address to the nation, Dennison has crossed a line.

He has moved from the realms of japery to become a clear and present danger to the security of this nation.

We cannot have the Prime Minister, at this crucial time, worrying that oddballs will try to break into Number 10 to sniff where she has perched her shapely bottom.

It is time to take Dennison seriously and to make an example of him.

When this fiend is finally brought to book, the judge must make him subject to an exemplary sentence.

'Bieber to blame for erosion'

POP star Justin Bieber has been blamed by Iceland for the closure of one of the country's top tourist attractions.

The Fjaðrárgljúfur canyon, about 250km east of capital city Reykjavik, will be closed until June due to damage caused by excessive foot traffic.

Daniel Freyr Jónsson, of the Environment Agency of Iceland, believes Bieber is in part responsible for the unsustainable level of tourism to the attraction.

Jónsson claimed that the music video for Bieber's 2015 track *I'll Show You* spurred a spike in the canyon's popularity.

He said: "This canyon was somewhat unknown worldwide but I think Icelanders have known about it a lot longer.

"The great increase in foot traffic began after Bieber came.

"There has been an increase of 50 per cent to 80 per cent between 2016 and 2018."

'Too fat' ghost hunter avoids prison term

AN OBESE ghost hunter who made phone calls to Virgin airline workers then abused, demeaned and threatened them over the phone has been deemed "too fat" for jail.

Paranormal investigator Kade Jones, 49 (*above*), told the Brisbane District Court he was in too much pain to stand in court to plead guilty to two counts of using a carriage service to harass.

The court heard he abused and threatened staff at the airline in June 2017, leaving them feeling scared, belittled, upset and degraded.

Wheelchair-bound Jones refused to identify himself on the call, but proceeded to threaten staff with legal action, made racial slurs and refused to believe he was talking to someone in Brisbane, Australia.

Judge Vicki Loury slammed Jones's actions as offensive, threatening and racist but ordered he be released on a £2,000 good behaviour clause for five years.

LAUREN: I LOVE TO DRESS UP FOR SEX

KINKY Lauren Reece says that she LOVES dressing up in the bedroom.

And it always drives fellas WILD.

The 23-year-old busty babe, from Nottingham, revealed she has tons of outfits for when things get hot and steamy.

By JAYNE FERGUSON
news@sundaysport.co.uk

Boasting a 36C rack and a perky rear, she said: "My naughtiest outfit is a lingerie set which I wear with a pair of over-the-knee boots.

"The bra has small holes for my nipples and the naughty knickers are crotchless – that gets blokes horny every time!"

MILLENNIALS SCUPPER MOVIE SEX

Plunge in 18 ratings for nookie

IT'S official – movies are getting LESS SEXY.

So far this year, the British Board of Film Classification has awarded only two films 18 certificates on the basis of sex or nudity – *High Life*, the new film from Claire Denis, and the Silvio Berlusconi biopic titled *Loro*.

Last year, it was six – two French, one Swiss, one Romanian, *Fifty Shades Freed* and an unreleased documentary about a Los Angeles strip club.

In 2017, seven films made the grade – two French, one Polish, one Finnish, one Korean, a Hungarian romance about magical abattoir workers and *Fifty Shades Darker*.

That is a steep decline from the 14 in 2016, 15 in 2015 and 2014, and 16 in 2013.

Relaxed

And it's not because the censor has relaxed the rules.

A spokesperson said: "We haven't made any significant changes to our guidelines on the depictions of sex in recent years."

If anything, the board has strengthened its petticoat.

A consultation in 2018 "suggested that parents are concerned by the borrowing of visual and verbal tropes from pornography and that such material should normally be restricted to 18".

Some commentators think movie producers are getting twitchy over sex in the wake of the #MeToo kerfuffle.

LESS SMUT: Fewer films show sex action like Fifty Shades did

By SIMON DEAN
simon@sundaysport.co.uk

Others reckon that online porn has simply removed the need for mainstream smut.

Rich Juzwiak, a writer on the culture website Jezebel, said: "That the decline of the sex scene coincided with the rise of internet porn doesn't seem random at all. When sex is at your fingertips, there's less of a need for it in mainstream entertainment.

"Cinema's extremeness has receded since the 1970s, but that has coincided with other media infiltrating the cultural space once owned by film.

"I don't think we're any less sex-obsessed – we are compartmentalising."

Naked shop stunt fireman suspended

A FIREMAN with a 40-year unblemished career has been suspended after he walked naked into a shop for a dare.

Cops were called to the store in Middletown, Rhode Island, by the owner who explained a customer had just strolled in, in the nude.

The owner said the man with a "smile on his face" purchased a can of pop and left in a car.

The car, with two fully clothed occupants, was later pulled over.

The passenger said she "dared" her boyfriend to go into the store nude because he said it was legal in Rhode Island.

John Walsh, 60, of Lynnfield, Massachusetts, was charged with disorderly conduct and has been put on administrative leave.

'Bus romp' nicked for turning on the drivers

A MAN and a woman have been charged after allegedly having sex on the back seat of a bus.

It was broad daylight when the man, 23, and his 31-year-old female partner boarded the bus at Charlestown, about two hours' drive from Sydney, Australia.

But soon after 9.50am, police allege the pair "engaged in sexual activity".

The disgusted driver ordered them to stop what they were doing and get off.

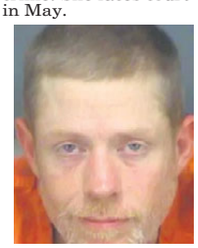
Police said the pair ended their romp but the man is accused of spitting at the driver on the way out.

The pair attempted to board a second local bus in Warners Bay but were refused entry as the driver had already heard about their earlier humping.

Police say the pair became aggressive. The man is accused of walking in front of the bus and "attempting to remove the windscreen wipers".

He was charged with affray, common assault, intimidation, offensive conduct and malicious damage. He was refused bail.

The woman was charged with offensive conduct and inciting the commission of crime. She faces court in May.



Syringes up my arse 'not mine'

A MAN found with three syringes up his arse told cops he had no idea how they got there and that he's never seen them before in his life!

Wesley Scott (*above*), 40, was arrested on a drug charge and was hauled off to the lock-up.

While he was being strip searched, Scott removed three syringes from his rear and gave them to an officer, according to arrest records.

Scott told cops in Clearwater, Florida, that the syringes were not his.

He was charged with possession of drugs without a prescription with intent to sell and possession of marijuana before being bundled back into a cell to await trial.

Footy docu reveals what it's like when your LESBIAN GIRLFRIEND plays for the opposition

By GARY DORAN
gary@sundaysport.co.uk

FOOTY fans got a glimpse into a never-before seen aspect of women's football this week on a brilliant new documentary on BBC1 this Saturday night.

Britain's Youngest Football Boss follows Jack Sullivan after he's appointed managing director of West Ham women's team by his dad, West Ham owner and Sport publisher David Sullivan.

The show sees Jack, 19, battle with the team's form on the pitch and the responsibilities of running a football team off it.

But one thing he wasn't expecting was one of his players' lesbian lover being on the opposition.

Jack said: "We've never had partners play against each other in the men's game. Never had that."

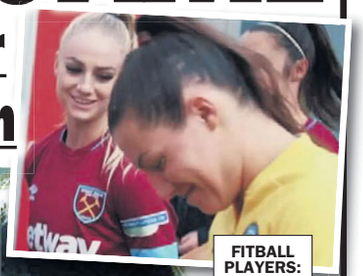
West Ham striker Alisha Lehman, 19, lives with Chelsea forward Ramona Bachman, 27.

The pair met while playing for Switzerland and are very much in love – but not when their two teams play each other.

Alisha said: "Ramona is the better footballer. She's fast, but I'm faster! I'm a little bit nervous to play against her but I think it will be a good game."

In the end Chelsea own the game 2-0 and Alisha is devastated.

Ramona added: "Alishia is definitely disappointed to lose. I would be as well If I had lost."



FITBALL PLAYERS: Lovers Alisha and Ramona line up to play on opposite sides, but know how to make up after!

GIRLS ALLOWED: Jack has balls to take on West Ham's women's team job

COPS TASER NUDE TRIO AFTER HIGH SPEED CAR CHASE

THREE nude women who told police they were "air drying" at a motorway services area suddenly took off in their vehicle and led officers on a high-speed chase before being tasered and arrested.

By BRAD CHADWICK
news@sundaysport.co.uk

Cops were called in following reports of the naked women applying suntan lotion in the car park.

Oasis Mcleod, 18, Jeniyah Mcleod and Cecilia Young, both 19, reportedly told police they were nude because they had just showered and were "air drying" in the sunshine.

But as one cop tried to gain more information, the trio scarpered into a white Nissan Sentra and drove off at speed with Mcleod allegedly at the wheel. The police officer gave chase, but called off the pursuit.

However another cop was deployed when the Nissan was later found outside a convenience store on State Road 52.

As he attempted to arrest the women, one drove the car directly at him, while another came at him with a baseball bat.

They sped off again but were later brought to a halt with stingers deployed on the road.

Officers were forced to break the windows of the Nissan with batons after the three women refused to get out of the vehicle, sitting in it with their arms interlocked.

Police say they were forced to taser all three of the suspects before arresting them.

Both the Mcleods and Young have been charged with fleeing to elude, resisting arrest, aggravated assault and lewd acts near Tampa, Florida.

Streaker 'had a stiffy as he jogged nude'

A NOTORIOUS streaker accused of going on nude jogs sporting an erection and performing sex acts in front of stunned members of the public has been getting his gear off since he was a kid, a court has heard.

Gabriel Romanos (*above*), 52, was said to be naked when he was spotted by police and arrested in December.

Officers said they had received reports of a naked man jogging in Melbourne, Australia, in the months leading up to the nude run.

Romanos faced JPs charged with wilful and obscene exposure in public, and sexual activity directed at another person.

Prosecutors said Romanos had "been doing it since he was 12" and had been on the sex pest register for 15 years.

Romanos said there was no sexual element to his offending. The case was adjourned.

Cops draw guns on house robot

ARMED cops entered a domestic bathroom with guns drawn prepared to confront a burglar – only to find a trapped robotic vacuum cleaner causing all the noise.

Police had responded to a woman's report that someone was locked in her bathroom, saying she knew something was wrong as there were shadows visible under the door.

They surrounded the house, called in a police dog handler and yelled at the suspect to exit the bathroom.

But 15 minutes later, cops went in – only to witness "a very thorough vacuuming job being done by a Roomba Robotic Vacuum cleaner".

The sheriff's office in Portland, Oregon, shared a moment-by-moment account of the incident, concluding with facepalm and shrug emojis.

BLONDE CARE WORKER'S SEX ROMPS WITH TROUBLED TEEN

RUINED: Martin will not work in the care industry again

A CARE worker who had a sexual relationship with a vulnerable 16-year-old boy after exchanging explicit messages with him has avoided jail.

By BARNEY SAMUELS
news@sundaysport.co.uk

Kayleigh Martin, 26, of Hamilton, Lanarkshire, carried out sex acts with the boy after being handed his case at a residential centre which supports troubled teenagers and young adults.

Bosses called in police when her relationship with the boy – who cannot be named for legal reasons – came to light and she was arrested last July.

Martin denied all wrongdoing at Lanark Sheriff Court, but she was convicted of engaging in sexual activity with the teenager while in a position of trust, and of sending a sexual communication.

She was told to carry out 250 hours of unpaid work and given a two-year supervision order by Sheriff Nikola Stewart, who slammed her "appalling behaviour" and said she was "foolish".

Martin, who now works in retail, had been a registered residential child care worker with the Scottish Social Services Council, based in Dundee.

But she was placed on the sex offenders' register for two years and banned from contact with the boy.

Her lawyer said her career in social services was over for good.

Attractive

Sheriff Stewart said: "This was a serious relationship regardless of what she thought it was.

"He is a young man who has an attractive, caring young woman who was giving him a highly unusual amount of attention and the warning bells should have been ringing much earlier.

"I don't think she is predatory but she is someone who is naive and foolish.

"I have no doubt that this will have undoubted serious repercussions on his life and frankly this is a dreadful thing she has done. I regard this appalling behaviour very seriously."

Archie Hill, defending, said: "There is simply no prospect of her going into that field of work ever again.

"The lady respects the finding of the court but maintains her position and I would have been shocked if she had changed that because she is vehement in her denial of this offence.

"She only had some experience of the job and there were some texts that were inappropriate but she was inexperienced in that environment.

"He was used to the system but she simply wasn't, it was unusual how much contact she was having with this young man."

A source close to Martin said: "She had a very promising career ahead of her but she has absolutely ruined that.

"She's lucky she was not sent to prison for a breach of trust from someone who should have known better."

Sicko uses fake ID card to trick his way into homes

WANTED: Marcus Brookes snapped by a suspicious victim before he fled

WITH his plausible manner and official-looking identification card, Marcus Brookes has tricked his way into DOZENS of homes.

Pretending to be from the council and an "Official Toilet Inspector", the 31-year-old gains access to homes to check householders' toilets and measure their "flush efficiency".

But that's NOT the real reason he wants to inspect other people's lavvies…

For unwed Brookes has a bizarre fetish that drives him to LICK toilet seats.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

The alarm was raised when Brookes wheedled his way into a home in Biddulph, Staffs.

The shocked home owner, who asked not to be named for fear of reprisals, went to make Brookes a cup of tea while he checked the "flush efficiency".

When she came back upstairs, Brookes had closed and locked the door, claiming it was a "normal health and safety procedure".

Moaning

But the housewife, suspicious at the soft muttering and moaning coming from within, stooped down to look through the keyhole.

She told us: "There he was, as God is my witness, licking the toilet. Not just the seat, the bowl, too. Shocking!

"I screamed and he jumped up. I was going to confront him but then thought, 'Oh dear God, he's clearly a pervert!' and I fled the house.

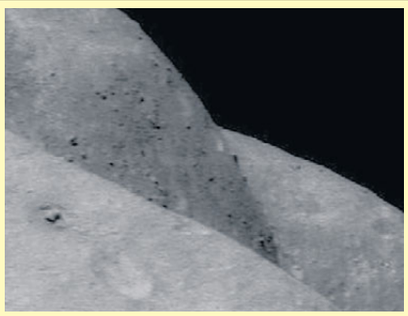
"I dashed next door to get Mr Johnson who used to be in the Army.

"I thought this man in my house should get a proper hiding. But when we returned, the dirty pervert had scarpered."

There have been many reports of evil Brookes' activities all over the country but there seems to be no pattern to his vile offending.

One woman insisted on taking a picture of him and his ID before she would let him in, but he panicked and fled.

A police source said: "When we catch him, we'll throw the book at him. Until then, we would urge nobody to let him in their homes."



Space: the vaginal frontier

A CONSPIRACY theorist reckons that moonmen have created a giant sculpture of a LADY'S PARTS on a bit of space rock, millions of miles from Earth.

The asteroid – called Eros – lies around 16 million miles away, and was photographed by NASA back in 2000.

Now, Scott C Waring of UFO Sightings Daily claims there's an erotic alien sculpture hiding in the pic.

He said: "It appears to show the pelvis and hips of a nude woman."

Mr Waring claims the close-up photo shows a large figure that aliens have carved into the asteroid.

He added: "It's possible that there is a huge sculpture of a Greek god on this asteroid.

"I don't believe in coincidences. It seems NASA is hiding the rest of this sculpture and they accidentally published this particular photo of it."

Shocked dad finds half-naked man in closet

A SHOCKED dad found a 42-year-old man hiding in a wardrobe at his home after the stranger came over to have sex with his teenage daughter.

Christopher Leonard was caught shirtless in the closet while the unnamed father was getting ready for work on November 2.

Leonard (*above*), who was not aggressive, told the other man the girl had invited him over to their Texas home.

Leonard said he had been talking to the girl through Facebook and Instagram.

And at the time, he claimed he was under the impression she was aged 21.

But the daughter told police Leonard knew her real age and that she met him on public transport a few weeks before the incident.

Authorities later found sexually explicit messages on his phone that he'd sent the girl.

Leonard was released but has since been charged with online solicitation of a minor and is being hunted by cops.

Couple jailed over bricking up dead folks

A GERMAN court has found a man aged 26 and his 23-year-old wife guilty of murder for killing his parents and then bricking the bodies behind a wall.

The Nuremberg-Fuerth regional court sentenced the couple to life in prison, a German news agency reported.

Prosecutors said the man bludgeoned his 66-year-old mum to death with a hammer as she lay in bed in December 2017, then he killed his 70-year-old father.

The prosecutors argued that while the man's wife was not present for the killings, she was jointly responsible because she had urged the husband to kill his parents "to have him to herself".

The couple also entombed the parents' bodies behind a wall in their house, where investigators found them weeks later.

JERRY HALL

JERRY had four kids with Mick after dumping Bryan Ferry for him in 1977.

They wed in Bali in 1990 but split up nine years later when she got fed up with her sex-mad hubby's infidelity. She should have known what the randy old goat was like.

Jerry clearly has a thing for wrinkly oldies – she's now with crusty Aussie newspaper baron Rupert Murdoch.

MARYAM D'ABO

THE Living Daylights **Bond beauty was slated to star as Lolita alongside Mick in a 1986 version of the taboo sex novel about an older man's lust for a young girl.**

The film never got finished but later on the two did end up humping between the sheets in real life – understandable when you see what a hot bod she showed off in the 1983 cult horror *XTRO*.

THE Rolling Stones have been forced to cancel a North American tour due to Mick Jagger's dodgy ticker.

The frontman, who's just 75 years old, underwent heart valve surgery but promised to be back on stage as soon as he was allowed to by docs.

By WENDY THOMAS
news@sundaysport.co.uk

He said: "I'm so sorry to all our fans. I really hate letting you down like this. I'm devastated but I will be working hard to be back on stage as soon as I can."

Now we don't know the details of what's taken its toll on the rocker's ticker, but it could be the 4,000 of the world's hottest women he's said to have bedded over the years!

To celebrate his illustrious career as a top pork-swordsman, we bring some of the very best beauties who've been notches on his well-worn bedpost...

SOPHIE DAHL

MICK and Sophie deny having a fling back in 2001 but a book by the rocker's former chauffeur Keith Badgery says otherwise, claiming they even bonked in the back of a limo once!

Sophie, now 41, certainly had a body worth a closer look – as this nude shot for an Opium perfume ad shows!

JAGGER'S BABES BARED!

3-PAGE SPECIAL

PEGGY TRENTINI

MODEL and actress Peggy kissed and then told all in her autobiography *Once Upon a Star*. She described how she and Mick embarked on a passionate affair – but he was just one of a long line of famous movie stars she bonked.

It's easy to see what they saw in the now 58-year-old – just have a look at cheesy 1995 *Tales of the Crypt* horror movie *Demon Knight*, in which she goes naked!

ALICIA ROUNDTREE

THREE years ago, a then-28 years old Alicia was spotted with Mick, proving that in his case he can always get what he wants – even to the point of shagging a stunning blonde way under half your age!

The young Mauritius-born Victoria's Secret model and restaurateur, who had previously dated Jude Law, met Mick at Rihanna's birthday party.

As you do!

UMA THURMAN

MICK lost his rag when he was snapped canoodling with *Kill Bill* star Uma in Hollywood's Viper Room in 1995 and attacked the paparazzo, who sued the rocker and got £500,000 compo for his injuries.

Uma, now 48, ended their fling when she found out he was shagging someone else behind her back. It's a familiar theme with old Mick!

NOA TISHBY

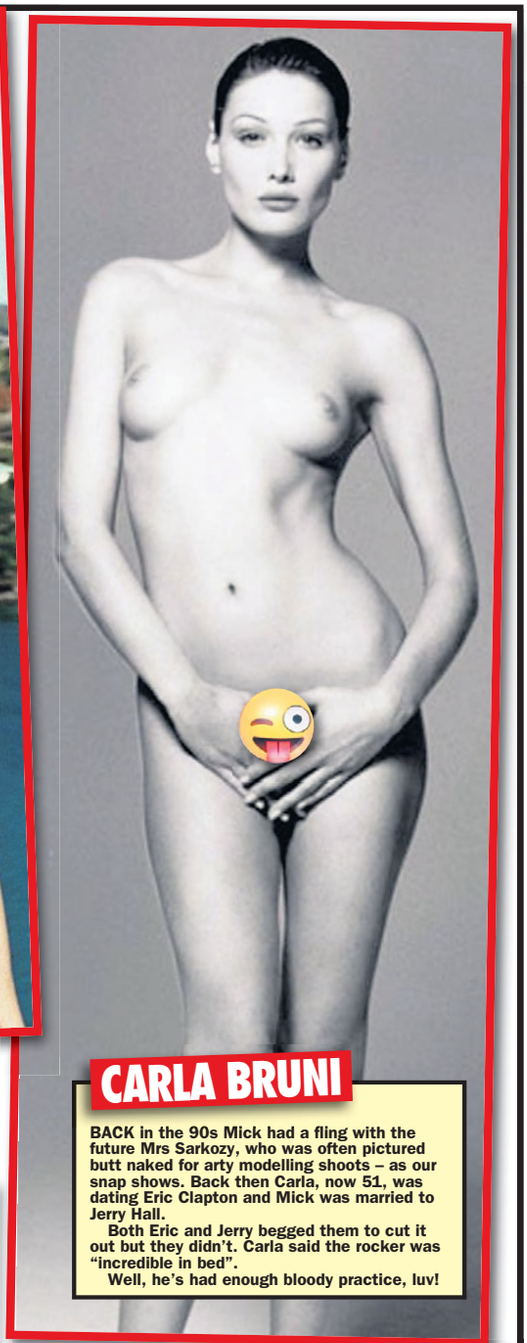
ISRAELI model and actress Noa caught Mick's eye at a gig in Tel Aviv in 2014.

A quick Google would have revealed she had a past of enthusiastically partaking in a host of steamy sex scenes during her glittering acting career. Here she is in the Israeli TV sizzler *2.3 A Week*.

JANICE DICKINSON

RANDY Mick was one of many high profile stars who tested *I'm a Celeb* beauty Janice's bedsprings. The self-styled 'world's first supermodel', now a considerably-enhanced 64-year-old, said Mick pursued her "like a teenager".

During sex, she said, he'd flip her over and she'd flip him – "Which wasn't hard for me, because he only came up to my shoulders when we stood up."



CARLA BRUNI

BACK in the 90s Mick had a fling with the future Mrs Sarkozy, who was often pictured butt naked for arty modelling shoots – as our snap shows. Back then Carla, now 51, was dating Eric Clapton and Mick was married to Jerry Hall.

Both Eric and Jerry begged them to cut it out but they didn't. Carla said the rocker was "incredible in bed".

Well, he's had enough bloody practice, luv!

DARYL HANNAH

MICK was bonking Jerry Hall when he decided to add *Blade Runner* and *Splash!* beauty Daryl to his list of conquests. She was just his type – female and breathing.

And it helped that she had a superb body – which she happily displayed in the 1991 movie *At Play in the Fields of the Lord*.

BIANCA JAGGER

ARCH nobber Mick's first wife, still tidy for a 73-year-old, met him at a gig in France in 1970 and married him a year later. But the Nicaraguan model soon got fed up with him shagging Jerry Hall and the marriage only lasted seven months.

She became a UN ambassador and human rights activist – but not before she'd showed off her boobs in the 1979 movie *The American Success Company*.

LADY SCREW TOSSED OFF TEEN IN KID JAIL

A BOY languishing in junior lockup began trading nude photos of a female warder for snacks from other kids.

And now the 25-year-old female detention staffer *(above)* is in big trouble.

Shila Lee McRoy, of Sweet Valley, Pennsylvania, has been fired in the wake of the incident.

She is accused of fondling the 15-year-old boy, who was in custody at the facility in Luzerne County, as well as sending him love letters and nude images of herself.

By WENDY THOMAS
news@sundaysport.co.uk

The boy traded some of the photos to other juveniles at the centre in return for snacks.

But he also turned over at least two of the photos to another staffer at the facility.

Grab

A sharp-eyed nurse at the facility, who spotted McRoy and the lad walking arm in arm, helped initiate an investigation.

The following day, officials told police and the teenager disclosed information about his relationship with McRoy over the previous two or three months.

During that time, the boy said McRoy would allow him to grab her breasts while she wanked off his hard teen cock.

He told investigators that McRoy would bring him nude photographs of herself, which she hid in an envelope underneath her shirt, and that he had given some to a staff member and traded the rest to other youths in exchange for snacks.

McRoy was arraigned on institutional sexual assault of a minor and corruption of minors charges.

She is currently being held in the Luzerne County Correctional Facility.

SNOWFLAKES FUME AT 'ANTI-ASIAN CREAM' ADVERT

BEEN AD: Student Poppy started row over cream

BUSYBODY snowflakes held an online petition and a march in central London after one of them misheard a radio advert.

Second year gender studies student Poppy Winstanley was listening to the wireless in her room at the University of Sussex when she heard what she thought was an advert for 'Anti-ASIAN' cream.

She immediately took to Twitter and soon had 40,000 re-tweets of her outraged comments condemning the "blatantly and disgustingly revolting racism broadcast over the radio".

Unfortunately, Poppy, 20, was so outraged she did not catch the brand name of the offending cream and when she phoned the radio station – which we cannot name for legal reasons – to complain, they had no idea what she was talking about.

That led to another tweet – shared 20,000 times – complaining about the "cover up".

It was only two days later, as Poppy led a band of 20 protestors outside the radio station that the truth emerged.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

The ad she'd heard was for "anti-AGEING" cream and was not a preparation designed to repel Asian people.

But, undeterred and insisting she does not feel foolish, Poppy said: "Ageism is as bad as racism and, as this product is primarily aimed at women, it is also sexist. Probably."

Alas, Poppy's view that "Ageism is as bad as sexism" got her into trouble with her uni's Anti-Racism Alliance, who have blasted her "white privilege" and have called for her expulsion.

Spokesperson Holly Pearson said: "Everyone knows there is nothing as bad as racism. This person is a hate criminal and must be excluded."

Socialists in call for more lady statues

POTTY socialists have come up with their wildest plan yet – more STATUES of women!

According to the Norwegian Socialist Left Party, men are over-represented when it comes to sculptures.

And most female figures are naked and nameless.

So to remedy this perceived problem, the Marxoids have proposed quotas for statues of known women.

Norwegian cities, such as Tromsø, Bodø, Drammen and Moss, lack any female statues at all, while the nation's second-largest city, Bergen, only boasts two statues of prominent females.

The rest are either naked or nameless – or both.

By contrast, composer Edvard Grieg has been honoured with six statues in Bergen alone.

Now the Socialist Left propose erecting at least 10 statues of women in Bergen over the next decade.

Pervert lured teens with vape & booze

A PERV lured youngsters into sex in exchange for vape pens and booze.

Luann Fabric Campos Leau Hida, 25 (*above*), was arrested in August on charges of furnishing alcohol to a minor and two counts of online solicitation of minors.

Cops identified juvenile victims from Dripping Springs, Lakeway, and Austin, Texas, at least one of whom engaged in sexual acts with Hida in exchange for vape pods.

Austin police were informed of the incident by a middle school counsellor who reported that a 14-year-old girl told her another student had engaged in sexual activity for the vape pods.

That student confirmed to officers that it was true and identified Hida, whom he knew by his social media name "The Loter".

Online prison records show Hida is being held at the Hays County Jail.

AS EMILY ATACK LOSES HER KNICKERS AFTER ALL NIGHT ROMP WITH STRANGER, TWO WOMEN SAY...

We love sex with randoms too, Emily!

CONFESSION: Em in *The Inbetweeners* (*above*) and on her hols (*right*)

ACTRESS Emily Atack maybe had a little too much fun after the Brit Awards this year.

Because she's jokingly revealed that she lost her knickers after having sex that night.

The *I'm a Celebrity* beauty attended the Brits back in February and was spotted at an afterparty with other A-list stars.

It seems Emily, 29, had an even better night than we all realised as she said she went home with a "bloke" after the star-studded music awards.

Busty Emily made the saucy admission during a preview of her forthcoming stage show *Talk Thirty To Me*.

By PENNY MARSHALL
news@sundaysport.co.uk

The *Inbetweeners* babe told the audience: "I went home with a bloke – shock. I woke up, had no idea where I was. I shagged him until about 10am. I left my knickers there. I'll be seeing them on eBay."

It's true that, thanks to Women's Lib, it's not just blokes who rut like beasts with strangers.

We spoke to two best pals who admit loving romps with men they've never met before...

'It was a good shag and I came loads of times'

JESSICA RAINE, 24, MARKETING ASSISTANT, FROM WIGAN

MY most random sex moment was at Glastonbury Festival.

I'd gone down with a group of other pals but lost them. It's easily done with all those people around.

I was kind of listening to the music but mostly I was just enjoying the vibe.

I'd had a few ciders, but not too much. I wanted to be able to find my way back to my tent.

Then I got chatting to this guy and he was really nice.

He was a bit short for me, to be honest. I don't usually like short men as they tend to be a bit shouty to make up for their lack of stature.

But this guy was really funny.

It's fair to say that he laughed me into the sack.

He bought me a bottle of Prosecco and then I invited him back to my tent nearby.

We were both up for it and almost running back – which is hard to do when they are a lot of tent pegs and guy ropes about.

We got back and he was straight on top of me. God, it was a good shag and I came loads of times.

I fell asleep afterwards and when I woke up he was gone. That's when my mate came back to the tent and screamed: "Have you been shagging in here?!"

I couldn't help but smile.

'I gave him a slippery blowjob behind the club'

LAURA BRADSHAW, 25, BEAUTICIAN FROM WIGAN

I HAD never had a one night stand before I went to university because I'd been in a relationship with a guy I started seeing back at school.

But we broke up when I went to uni and slept with a couple of guys there – it was always with guys I knew.

I had never picked up a random.

That all changed one night after I'd graduated and went out with pals from my new job.

We had a few drinks and then went on to a club.

I got chatting with this guy and he bought me a drink.

We had a bit of a dance and he asked if I wanted to step outside.

I new straight away what he meant and I thought, 'Well, why the hell not?"

I gave him a slippery blowjob behind the club and then I asked him: "Have you got a condom?"

His eyes lit up because he knew he was going to get his nuts.

I'd never done a knee-trembler before and it was a bit awkward but we soon got there.

And I came, despite it being a bit uncomfortable.

Afterwards he went off into the night, and I went back into the club.

I never even knew his name.

10 things you might not know about PRIMARK

THE world's biggest Primark store opened its doors to shoppers in Birmingham last week.

Covering a vast 161,000 sq ft over five floors, it occupies the entire site of a former shopping centre and comes complete with a Disney-themed cafe, a barber shop and beauty studio, as well as Primark's affordable fashion items.

It's a glimmer of good news from the High Street, where usually we only hear bad things.

But what do we really know about Britain's favourite cheap 'n' cheerful fashion outlet?

1 THE first Primark store opened its doors in Dublin in 1969.

2 THE retailer was first opened using the name Penney's, but had to re-brand to Primark after expanding outside of Ireland. This was due to the American retailer JC Penney which had the name Penney's already registered in the United Kingdom. Throughout Ireland, the retailer is branded under its original name of "Penney's."

3 INTERESTINGLY enough, this popular retailer is owned by Associated British Foods.

4 THE new Brum Primark cost £70m to build and fit out.

5 IN early 2018, Primark held a 6.9% share in the UK clothing market.

6 IN June 2014, two labels both stitched with SOS messages were separately found in garments bought in Swansea Primark branches. Primark argued that an internal inquiry chain showed these label messages were a hoax.

7 ON August 28, 2018, a fire started on the roof of a Primark store in Belfast, destroying the building and emitting plumes of thick, black smoke over the city. The shop reopened in December.

8 IN January, a human bone was found in a pair of socks bought at a Primark in Essex. Primark apologised to the customer but how the bone got there is still a mystery.

9 WHEN the Primark flagship location opened on London's Oxford Street, over a million products were sold within just the first 10 days.

10 PRIMARK first expanded outside the European market in 2015 with a store opening in Boston, Massachusetts.

WE CELEBRATE START OF BLOCKBUSTER SHOW'S FINAL SEASON

Sword 'n saucery!

GAME OF THRONES HOTTEST BITS

3-PAGE SPECIAL

By GARY DORAN
gary@sundaysport.co.uk

AFTER 18 long months the biggest, most expensive and boob-filled TV show is back.

Game of Thrones Season 8 will finally provide all the answers that millions of viewers around the world have been seeking, since Sean Bean had that spear shoved... sorry nearly a spoiler!

Questions like: Who will end up on the Iron Throne? Will Jon Snow finally know something and do dragons have a pilot light?

Over the next six weeks everything will, hopefully, become clear, and with a bit of luck there will be lots and LOTS more bare breasts, peachy bums and even some underbeard on display, too.

So to celebrate the return of the biggest television event for years we have delved through the archives to uncover the very best bits so far.

And they all happen to feature lovely bare busters...

EMILIA CLARKE (DAENERYS TARGARYEN)

THE would-be ruler of Westeros can't keep her kit on in the show but this scene from Season 6 is the most powerful.

It symbolises her rebirth as the mother of dragons and marks the moment she seizes her own destiny.

And the 32-year-old's lovely boobs wobble all over the place.

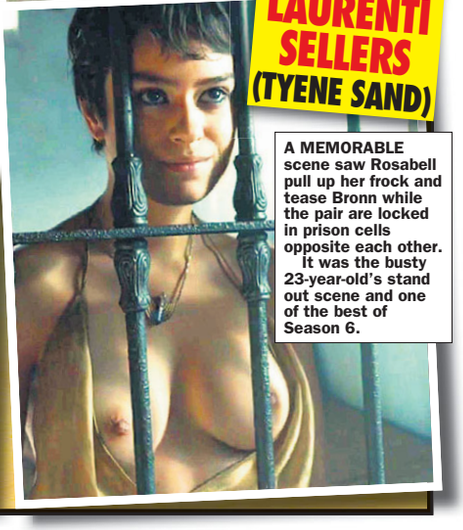
NATHALIE EMMANUEL (MISSANDEI)

NAT'S character is so hot she even managed to have a sex scene with a eunuch. In this pic the former *Hollyoaks* babe, 30, got naked while doing the washing in Series 4.

ROXANNE McKEE (DOREAH)

ANOTHER hot graduate from *Hollyoaks*, the 38-year-old played a freed slave who taught Daenerys how to have sex in Season 1.

The sexy pair shared a bath and her pert boobs looked amazing – all wet and soapy.



ROSABELL LAURENTI SELLERS (TYENE SAND)

A MEMORABLE scene saw Rosabell pull up her frock and tease Bronn while the pair are locked in prison cells opposite each other.

It was the busty 23-year-old's stand out scene and one of the best of Season 6.

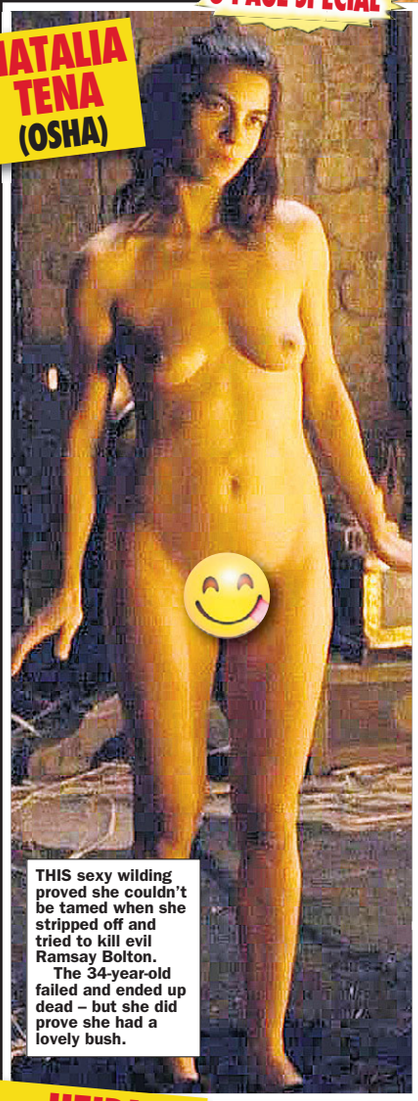
GAME OF THRONES HOTTEST BITS

3-PAGE SPECIAL

NATALIA TENA (OSHA)



THIS sexy wilding proved she couldn't be tamed when she stripped off and tried to kill evil Ramsay Bolton.

The 34-year-old failed and ended up dead – but she did prove she had a lovely bush.

NATALIE DORMER (MARGAERY TYRELL)

THE 37-year-old was three times queen of Westeros after getting hitched to gay Renly Baratheon, then evil King Joffrey, and finally his brother – the suicide-loving Tommen. Now that's an unlucky love life!

Lovely knockers though – as she revealed in Season 1 when trying to seduce Renly.

SIBEL KEKILLI (SHAE)

THE 38-year-old Gern babe played the hook with a heart of stone who seduced tiny Ty Lannister in Season And no wonder he fel for her – she's a former porn star with fine pert pair.

HEIDI ROMANOVA (VOLANTENE WHORE)

IN season six this red-headed beauty played an enthusiastic hooker who gets banged by Yara's crew. And the 24-year-old's had plenty of practice – she's a softcore porn star who masturbates on camera.

CARICE VAN HOUTEN (MELISANDRE)

THE 42-year-old Dutch babe plays a powerful witch in the show who uses magic to conceal her withered body and then shag young men.

In this scene from Season 3 she seduces John Snow and even does a bit of kinky bondage.

ESME BIANCO (ROS)

BIG-busted Esme starts off as a hooker in Winterfell before heading to the bright lights of being a hooker in King's Landing. This scene is the first time the sexy Brit babe reveals her knockers as she shags Theon Greyjoy in Season 1.

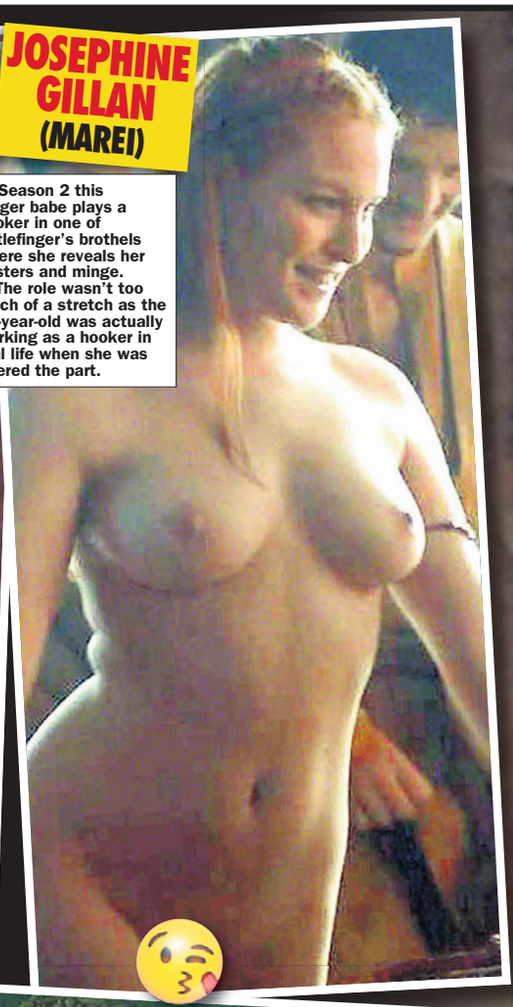
ELINE POWELL (BIANCA)

THINGS get a bit weird here as the Belgian beauty plays an actress in the show who stars in a play as the character Sansa Stark in the sixth season. The 29-year-old's got a cracking pair to boot.

JOSEPHINE GILLAN (MAREI)

IN Season 2 this ginger babe plays a hooker in one of Littlefinger's brothels where she reveals her busters and minge.

The role wasn't too much of a stretch as the 31-year-old was actually working as a hooker in real life when she was offered the part.



CHARLOTTE HOPE (MYRANDA)

EVIL Myranda got naked in Season 3 to seduce Ramsay Bolton's prisoner Theon Greyjoy.

But it wasn't to give him pleasure – it was so her master could chop his cock off!

The fact that you'd probably still risk it to have a go on the 31-year-old is testament to just how hot she is.

ROSE LESLIE (YGRITTE)

SHE told Jon Snow he knew nothing, but the bastard son of Ned Stark knew enough to get into The Wilding's pants.

As was shown in this scene from Season 3 where the hot 31-year-old flashed her rack.

The pair ended up married in real life.

DEANO ON SUNDAY

Don't let the race loonies call the shots...or we are ALL doomed!

RACISM is terrible. We can all agree on that.

Racism led to the Third Reich, apartheid in South Africa, lynchings in America's Deep South and a million other wrongs here and abroad throughout history.

It's a serious business.

So we should be concerned when accusations of racism are levelled against the most innocent of things.

By throwing about accusations of racism, willy-nilly, the crime is diminished.

The latest, ridiculous, row comes over some chocolate ducks sold at Waitrose.

The Easter trio of chocolate caused a stink on – where else? – THE INTERNET after shoppers observed that the dark chocolate figurine was branded "ugly" while its white chocolate counterpart was referred to as "fluffy".

Who would have thought the expression "ugly duckling" could have become the centre of a "race storm"?

But this is Britain in 2019 when any grievance – real or imagined – is taken seriously.

Even a grievance when it comes from a lone woman calling herself "livia a. aliberti" on Twitter and who glories in a "#diversity" hashtag on her profile.

Rather than swatting off the complaint – an act which would have won them nationwide plaudits, I am sure – Waitrose immediately apologised.

Apologised for what?

Waitrose did not pay ethnic minority staff less than white staff. It did not employ slaves in its warehouses.

They made a chocolate duck referencing a famous fairy tale.

Huffy

If you can see racism in that, I suggest you visit your GP. If you feel the need to protest about that, I think you may be blind to the real horrors of the world, REAL horrors that need tackling with more than a huffy tweet.

A Waitrose spokesman said: "We are very sorry for any upset caused by the name of this product. It was absolutely not our intention to cause any offence. We removed the product from sale several weeks ago while we changed the labelling and our ducklings are now back on sale."

And in a few words, Waitrose encourage every nutter to see racism where it is not there.

This nonsense used to be funny.

We all loved stories of the "loony left" councils banning "Baa Baa Black Sheep".

It's not funny anymore because otherwise-sensible folk – terrified by the Twitter mob of inadequate keyboard warriors – are taking the loonies seriously.

When loonies call the shots, we are all doomed to the madhouse.

But the MOST put-out folks are the DOGGERS who ply their trade on John's doorstep who now insist: "Where's OUR compo?"

Funnyman John bought the 24-acre Whatcroft Hall in Northwich, Cheshire, for £2.25million in 2011 but sold it to the Secretary of State for Transport for £6.8million in September.

It is the largest sum ever paid by HS2 chiefs for a domestic building.

Pointless

Now doggers, who were meeting on the lane near Whatcroft Hall long before the Bishop clan moved in, say they deserve a payout as the proposed railway line – which has been dismissed as a pointless white elephant by anyone with half a brain – will blight their hobby.

Doggers John and Mary Vernon, from nearby Winsford, said: "We've been dogging here since before it was even called dogging. Long before John Bishop moved in.

"But what do we get from HS2? Nothing. I've been wanking my hubby off here since we wed.

"How are we supposed to dog in peace when there's up to 20 high speed trains a minute racing past, belching out steam and cinders?

"We want compo, never mind giving it to John Bishop. He's rich enough."

Doggers plan to hold a public meeting in Northwich's Memorial Hall to press their case for compensation.

Many raised eyebrows that Bishop had sold his home to HS2 as the 52-year-old has in the past spoken out in opposition to the half-baked project.

A spokesman for Bishop said the comedian "maintains his opposition to HS2".

"He is unhappy, like many others affected by the proximity of the proposed line, that he was left with no choice but to sell his family home to HS2, as the proposed line had rendered it unsellable on the open market – thus destroying all he and his family had worked for."

Principles

But some Twitter users branded the sale a "U-turn".

One wrote: "John Bishop's U-turn as he sells his home so high speed train route can be built, shakes head disapprovingly."

Another posted: "Strange how money makes you forget principles."

'Drunk cop tried to kiss builder'

A POLICE officer who got drunk while guarding a body is facing new allegations that he climbed heavy machinery to try to kiss a female construction worker.

Constable Junior McLaughlin (*left*) made his first disciplinary hearing appearance on four charges of discreditable conduct last week.

The charges stem from three incidents last autumn, two of which allegedly occurred in the months after McLaughlin pleaded guilty to one charge of misconduct for getting caught drinking while guarding a dead person's home.

The most recent of the new incidents allegedly happened in December while McLaughlin was in uniform working at a construction site.

McLaughlin, of Toronto, Canada, has yet to enter a plea for the four charges.

Porn fan's hospital loo w*nk

A PERVERT pulled his pud while watching PORN in a hospital loo.

Bryson Stancle, 26 (*above*), was nicked after he wanked in public while watching pornography on an allegedly stolen iPhone, according to documents filed in the case.

Stancle was wearing hospital scrubs when he was confronted by a security officer at the medical centre in Muskogee, Oklahoma.

When told to leave, Bryson asked if he could first use the bathroom, so the officer escorted him there and waited outside.

The officer said he heard moaning and what he believed to be pornography inside the stall, so he told Stancle to leave.

Stancle then left with his pants around his ankles and continued to masturbate.

He has since been charged with possessing a stolen phone and indecent exposure.

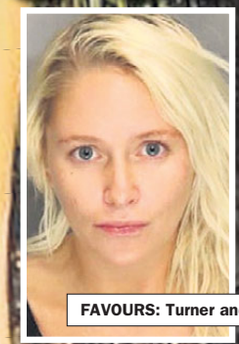
DID PLAYBOY BABE KILL SUGARDADDY OVER CASH FOR ANAL?

MURDER CHARGE: Kelsey Turner



FAVOURS: Turner and Dr Burchard (*right*)

A PLAYBOY model accused of murdering a psychiatrist who had been paying her rent until his body was found rotting in her car has appeared in court.

Kelsey Nichole Turner, 25, faced court in Stockton, California, where she is being held pending her extradition to Nevada after being arrested last month over the murder of Dr Thomas Kirk Burchard.

Her extradition was delayed and she will appear in court in Las Vegas again this week, where she is expected to face murder and conspiracy charges.

Burchard's body was found rotting in the boot of Turner's two-door Mercedes Benz coupe, which was abandoned off a dirt road in Las Vegas on March 7.

Police said Burchard, 71, had been paying the rent on Turner's home.

Judy Earp, Burchard's longtime girlfriend, said the psychiatrist had given Turner £230,000 during the time they knew each other.

By BRAD CHADWICK
news@sundaysport.co.uk

It's believed he was receiving sexual favours in return.

A police source said: "From what we understand, Dr Burchard was acting as some kind of 'sugar daddy' to this young woman.

"We believe that in recent weeks, Burchard's sexual demands grew more extreme – specifically for anal intercourse.

Friction

"The suspect was unhappy with this turn of events and there was some friction."

Police said Burchard's girlfriend reported the semi-retired child psychiatrist missing days after he sent a text message on March 2 to her from Las Vegas saying he was off to Salinas in two days.

Earp told police she believed Turner was involved in Burchard's disappearance.

Police found the rented home unlocked but no-one there, and a neighbour reported seeing Burchard with Turner.

Taxi driver takes ex to court – for 30p!

A TAXI driver sued his ex-girlfriend for a refund of just 30 PENCE which he spent on her during their relationship.

Gilbert Njobvu, 49, told a court in Zambia he'd lived with Rejoice Musamba, 39, for seven years.

In October, Musamba told him she was going to South Africa with her boss and when he asked about their savings, she told him to wait.

When she returned and the driver again asked for his money, Musamba told him to suspend the business idea, and also told him that she could not give him the money back because she had lent it out.

A panel of judges threw out the taxi driver's claim.

Embassy nob hid camera in unisex toilets

THE highest-ranked official at New Zealand's embassy in the U.S. hid a camera in a unisex bathroom, it is alleged.

Alfred Keating (*above*), a former naval commodore, appeared in Auckland District Court on Monday to face trial for a charge of attempting to intentionally make an intimate visual recording.

The recording device – mounted inside a heating duct in the Washington D.C. embassy's bathroom – was discovered in July 2017, when it fell to the floor.

There was a thick layer of dust on it, indicating the device had been in place for months. Keating's DNA allegedly matched that found on the camera's memory card.

At the time of the discovery, Keating – who has pleaded not guilty – had immunity from prosecution in the U.S. He no longer works for the Royal New Zealand Navy.

School Miss 'had sex with lads, 15'

A FEMALE teaching assistant has been charged with sex offences against minors.

Karen Bagshaw, 58, was arrested on suspicion of sexual assault and sexual exploitation of victims that were 15 years old at the time.

She is also charged with invitation to sexual touching and making sexual explicit material available to a child.

A judge will hear how Bagshaw allegedly befriended a group of vulnerable teenagers and would buy them drugs, booze, food and clothes and show them porn.

Bagshaw partied with the boys in hotels and had sexual relations with two of them, it is claimed.

She was employed by the Kawartha Pine Ridge District School Board in Peterborough, Ontario, at the time of the allegations and was removed from all workplaces within the board's area.

Care worker arrested on OAP sex rap

A WOMAN accused of sexually assaulting a man who was a patient in sheltered housing has been arrested.

Police said Guettie Belizaire (*above*), 39, was found naked in a patient's room at the care home when the incident was reported.

Belizaire's co-workers called police just before 5am on December 13 after they couldn't find her for nearly two hours.

When cops arrived, she was getting dressed in the patient's bathroom, according to arrest reports.

Police said the patient at the home in Melbourne, Florida, was suffering from various medical ailments at the time.

The man told officers that Belizaire "sexually battered" him and a subsequent sexual assault kit and DNA test confirmed his claims, police said.

A warrant was issued for her arrest in March and she is now charged with lewd molestation of an elderly person and is in the lock-up.

1-in-13 lads has bonked by age 13

NEARLY 1 in 13 lads had sex for the first time before they turned 13, a new study reveals.

Now researchers are calling for more education, care and conversations about supporting healthy sexual development in boys.

Study author Laura Lindberg, of America's Guttmacher Institute, which deals in sex issues, said: "Too often, the sexual health needs of young men are overlooked.

"These findings have major implications for the timing of sex education and sexual health care."

In general, about age 17 is when most boys and girls have sex for the first time – but boys are more likely than girls to have sex for the first time before 13.

Co-author Dr David Bell added: "Any messaging must recognise pressures that manhood is something boys must make happen."

JESS DREAMS OF SEX ON BEACH!

JUICY Jess Kingham says her ideal fantasy involves having sex on the beach!

The 26-year-old scorcher, from Camberley in Surrey, wants to take her holiday bonking up a notch – having lived out a fantasy of doing it on a plane.

The 32F sexpot said: "There's no doubt my greatest X-rated accomplishment was joining the Mile High Club!

By JAYNE FERGUSON
news@sundaysport.co.uk

"My boyfriend and I were on a night flight and we managed to sneak into the toilet together.

"I'm pretty that sure a few other passengers knew what was going on, but it was well worth the dirty looks we got when we came out of the loo!

"Having sex in public is such incredibly sexy fun. There is just something extra horny about the thrill of possibly getting caught.

"My ideal place would be on a beach in a hot country just as the sun is setting.

"I've also fantasised about finding a secluded cove where me and my fella have the idyllic retreat all to ourselves.

"We can run around naked all day and do what we want.

"Knowing my luck, though, a boatload of nosey tourists would probably drift by and spoil it!

"Ah well, you can only dream..."

LEGENDS OF PORN

BACKDOOR BABE: Valentina in action

PART 51 VALENTINA NAPPI

FOR a woman who takes it up the poo chute as often as she does, "Nappi" is perhaps an unfortunate surname for this beauty.

By PENNY MARSHALL
news@sundaysport.co.uk

The 28-year-old was born in Salerno, near Naples, Italy, and grew up in Pompeii – famed for being smothered by a dirty great volcano.

She made her debut in the adult industry in 2011 after emailing top grot director Rocco Siffredi and asking him for a job.

Any lady who contacts Siffredi is clearly not fazed by the idea of being enthusiastically buggered – so it's safe to say that Valentina is a "game girl".

But she's also a brainbox!

She graduated from Art School in Salerno and, as of October 2013, she studied art and design at university.

Often referred to as an "intellectual porn star", Nappi wrote several essays on the condition of men and women in contemporary society and attended a philosophy festival.

Oh, and she loves being showered in pint after scalding pint of spunk – being a bukkake specialist.

The 34C babe was Playmate in the Italian *Playboy* in June 2012, Penthouse Pet of the Month in November 2013, and she was Twistys Treat of the Month for May 2015.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit one of Britain's best boozers and ask two bubbly babes to spill the beans on the spicy details of their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Croydon, south London...

SALLY HAYNES
AGE: 24
OCCUPATION: Hair stylist
FAVE DRINK: Vodka and fruit juice
FAVE FOOD: Indian
FAVE FILM: *Avengers*
FAVE ACTOR: Tom Sturridge
FAVE HOLIDAY: Gran Canaria

CARRIE-ANN LOWE
AGE: 25
OCCUPATION: Care assistant
FAVE DRINK: Gin and tonic
FAVE FOOD: Indian
FAVE FILM: *X-Men: Days of Future Past*
FAVE ACTOR: Freddie Highmore
FAVE HOLIDAY: Mallorca

FIRST-TIME SEX

SALLY: I was 16 and it was outdoors on a beach in Gran Canaria. I was actually on holiday with my parents and a load of other family members. They were all having a good time so I wandered off and had a good time of my own.

His name was Paulo and he was older and very considerate.

CARRIE-ANN: Didn't sand get everywhere though?

SALLY: Yeah, but it was very sensual. We met like that for about 10 days, till I had to leave. It was always fantastic.

What about you?

CARRIE-ANN: My first time was mad. I came home from school one day to find my brother's mate there. My parents were at work and weren't due back till late.

We got a bit pissed on dad's brandy and my brother went off to see his girlfriend while his mate stayed and screwed me.

It was actually great and I felt well dirty afterwards. I couldn't wait for more cock, if I'm honest.

STRANGEST PLACE

SALLY: I met a guy in London when I was at uni and he took me to the British Museum. Things got a bit horny and he picked me up and pounded me up against a wall. I'm sure someone saw us but they said nothing.

CARRIE-ANN: In the sea in Italy this guy swam into me underwater. He didn't say a word but I let him take my bikini bottoms off and ride me in the waves while all these holidaymakers were splashing around.

THREESOMES

SALLY: I haven't but I would. I'd rather have a foursome with two guys and another girl, though.

CARRIE-ANN: I'd be up for that but I'd settle for a straight threesome. Being in the middle of two horny guys must be the best sex ever.

I'd love an all-girl threesome though – I love girls' bodies.

SALLY: Maybe we could get another chick and do it together.

CARRIE-ANN: Sounds good to me!

FAVOURITE POSITION

SALLY: I love being on top. There is a bit of the dominatrix in me and I love grinding down on a guy's tool while scratching his chest hard.

CARRIE-ANN: I love the 69 position as you get as much as you give. And I give the best blowjobs ever, so I've been told.

SALLY: I like it from behind too because you can't see the guy's face, just feel his cock!

SPIT OR SWALLOW?

SALLY: I don't swallow as I like to spit the guy's jizz back in his face. That's the dominatrix in me again.

CARRIE-ANN: I give great BJ's and I always swallow. It's less messy and I actually love the taste of man-juice!

SEX TOYS

SALLY: I've got a huge rampant rabbit that moves so fast. I bought it during a dry spell a few years ago and it brings me off every time, usually more than once.

CARRIE-ANN: I've got the deluxe rabbit and it also gets me off always – which is more than can be said for my boyfriend.

SALLY: No man can move inside you like that toy.

DRESSING UP

SALLY: My fave outfit is a hula girl grass skirt complete with coconuts for my boobs. No man can resist when I've got it on. I like to dance for him a bit before screwing his brains out.

CARRIE-ANN: I've never seen the point. My naked body is normally enough to get my guy hard and in the mood. Once he sees me in the nude that is normally enough.

> **'I dream of being screwed in front of an audience and everyone would clap when I came!'**

I've always kept my schoolgirl uniform just in case, though.

DOES SIZE MATTER?

SALLY: I'm well into big dicks so any guy with a small one better be ready to go down on me for a long, long time to compensate. I like to feel like I'm getting a good-sized portion.

CARRIE-ANN: It doesn't matter to me. I prefer a confident guy who knows what to do with it. I have to say, though, I like sucking big ones, getting plenty of stiff meat in my mouth soon has me wet and ready for a good drilling.

That said, getting shagged with a huge one can hurt sometimes.

SALLY: The biggest I ever had was easily nine inches and very fat. I swear I thought this guy would kill me with it but it turned out to be the best shag I've ever had.

I must have come about six times before he finished off on my boobs.

BUM FUN

SALLY: I've never tried it but I might, with the right guy. I don't mind getting my arse fingered, though. Every guy I've ever met always eventually tries to go there, and I admit it feels well dirty!

CARRIE-ANN: You don't know what you're missing girl! I absolutely love it. The first time I was drunk and this guy just pretended he'd missed my fanny but now I'm the one who suggest we do it. The guys just love a dirty girl!

SALLY: You're terrible!

FAKING IT

SALLY: I've faked in the past but now I just don't waste my time on crap guys. The worst time I ever faked it though was when I was banging my boyfriend's dad and I needed him to hurry up as my fella was due back any time.

CARRIE-ANN: I fake when I'm bored. There is nothing worse than losing interest when a guy is pounding away.

SALLY: Yeah, and they end up rubbing your bits sore while thinking they're the greatest lover ever.

CARRIE-ANN: I was with a guy last week when I was drunk, but I started sobering up as he was shagging me and I faked so he would hurry up and go home.

FANTASIES

SALLY: I'd love to get kidnapped by an entire football team and kept in the dressing room. When they would come in at half-time, instead of the oranges they would all suck on me. That way they would definitely score.

CARRIE-ANN: I dream about being screwed in front of an audience and everyone would clap when I came. There would be loads of encores and all the actors and actresses would be able to perform on me as well. Maybe I could do it on *Britan's Got Talent*.

TOMORROW

Travel Man: 48 Hours in Athens – C4, 8.30pm

RICHARD Ayoade returns with the offbeat tourism show and is joined in the first edition by comedy actress and writer Dawn French, with the pair spending two days together in the Greek capital.

Their mini-break features doughnuts, the Acropolis and the thermal waters of Lake Vouliagmeni, which is rumoured to be the goddess Athena's favourite bathing spot.

Richard and Dawn sample a 14-course tasting menu at a temple to molecular gastronomy, before they go on an Olympic tour featuring discus and javelin training.

I've been to Athens. Smells of cats.

Not Going Out – BBC1, 9pm

NEW series. Toby organises a sponsored parachute jump to raise money for a children's ward in his hospital, so Lee, Lucy, Anna and the grandparents all agree to take part to support him.

But once airborne, will everyone pluck up the courage to jump?

Return of the top Brit comedy, starring Lee Mack, Sally Bretton and Hugh Dennis.

OF THE TELLY

By BARNEY SAMUELS

Beautiful game gives us a semi

Women's FA Cup Semi-Final: Man City v Chelsea – BBC2, 3.15pm

COVERAGE of the second semi-final from the Academy Stadium in Manchester (Kick-off 3.30pm).

This clash will be the fourth time in the last five seasons where these two sides have met in the last four of this competition.

The Manchester club will be out for revenge after losing against Chelsea at this stage last season, where England's Fran Kirby struck twice to send the London side to the final.

There you go. Women's football. In the *Sunday Sport* TV column. Just to prove we're not sexist.

Line of Duty – BBC1, 9pm

THE best thing on TV at the moment – bar nothing.

Tonight, the fifth series of the crime drama reaches the halfway point, as the AC-12 Team continue their pursuit of the head of a criminal syndicate, who is suspected of having police officers on his payroll providing him with information to assist with a series of daring robberies that have left a trail of bodies in their wake.

Starring Stephen Graham and Martin Compston.

Live Golf: The Masters – BBC2, 6.30pm

EILIDH Barbour presents live coverage of the fourth and final day from Augusta National Golf Club, Georgia, where the year's first Major comes to its conclusion.

Last year saw American Patrick Reed claim his first-ever Major title and a first prize of £1.5million, after Northern Ireland's Rory McIlroy (*left*) started the day in second place but carded a disappointing 74 and ended up in joint-fifth on nine-under-par.

However, that still made him the highest-placed British finisher last year.

Commentary comes from Andrew Cotter, Peter Alliss, Paul Azinger and Ken Brown.

TUESDAY

Surgeons: At the Edge of Life – BBC2, 9pm

AT the Queen Elizabeth Hospital in Birmingham consultant surgeon Tim Martin and his operating partner Sat Parmar are planning a difficult operation on former police officer Loretta.

As far as they can tell from medical records, they'll be the first UK surgeons to operate on the strange disease Loretta is suffering from.

Nine months earlier, she appeared in Tim's clinic with a mysterious condition that was destroying the bones and muscles in one side of her face, causing her mouth to fuse shut.

The team arrived at a diagnosis of tumefactive fibroinflammatory disease – a condition so rare, Tim could only find 50 documented cases worldwide.

Ben Fogle: New Lives in the Wild – C5, 9pm

BEN meets more people who inhabit inhospitable parts of the world, and in the first edition he travels to a remote stretch of the Peruvian coastline to meet British couple Scott and Casey.

The pair left their lives growing up in wet and grey England to pursue a life of travel and extreme sports, but after six years of globetrotting they gambled their life savings on running a kite-surfing school in Peru.

Scott talks about a career in the Army that saw him deployed to Afghanistan, and Casey reflects on an earlier, angry version of herself who would only live for the weekend.

DON'T MISS THIS!!!

Earth from Space – Wednesday, BBC1, 9pm

NEW series. Cameras in space tell stories of life on our planet from a brand new perspective, to reveal new discoveries and explore Earth's most remote habitats.

In the first episode, satellites follow an elephant family which is struggling through a drought, reveal previously unknown penguin colonies, and discover mysterious ice rings that could put seal pups in danger.

Next week the spy in the sky looks at ladies sunbathing topless in their back gardens... only joking!

SHEILA GETS A BUZZ FROM NAKED SURPRISE

By WENDY THOMAS
news@sundaysport.co.uk

SAUCY Sheila Grant loves nothing more than surprising her man by waiting NAKED for him to come home from work.

The busty model, from Newcastle, said that the anticipation of waiting by the door for her lover to come home really turns her on.

And the 36E scorcher confessed that she makes sure she is ready to go, so her man can have her as soon as he sets foot in the house.

Naughty

Sheila, 33, said: "I love to keep my fella satisfied, so when I know he's had a long day at the office I cheer him up by waiting completely naked by the door.

"I use my naughty toys while I wait – so I am completely in the mood by the time he gets home and he can have his wicked way with me straight away.

"And I love seeing the look on his face change when he sees his present waiting for him – already unwrapped!"

THE WORLD FAMOUS AGONY Page

Dear Dani,

MY mate's girlfriend is really tasty and last week I ended up shagging her – and her sister!

They're both busty blondes with cracking bodies and they fell for my charms.

We'd been in the pub all day and went back to my place, where I promised them more booze and "nibbles".

I was soon boning my mate's bird from behind while her sister fingered herself as she watched – then I had her from behind too.

And she said I could take her up the arse, so I did! It was brilliant watching my eight-inch cock stretching her tight bumhole.

Before that, they'd both sucked me off and then I returned the favour, licking out their shaved fannies till they were dripping.

The problem is that there are loads of rumours about our session in our local and their boyfriends have said they're going to kick my head in, if they ever see me round there again.

What do you think I should do?

GD, Lancs

Dani says...
DENY that it ever happened, beg for forgiveness, or move to another part of the country...fast!

Dear Dani,

MY 10-pin bowling team is breaking up and I'm worried that I'll lose touch with one of my star players, who just happens to be a blonde stunna with a gorgeous arse.

She is a borderline nymphomaniac and has regularly been letting me fill her holes after our matches.

The problem is that I'm married and the missus is starting to get suspicious.

How can I keep up my strike rate and stop her from going spare?

TS, Herts

Dani says...
TRY scoring a bit more with the missus instead.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters and emails. Here's her advice...

It's all going swimmingly with my horny young stud

Dear Dani,

I'M a middle-aged woman and I've just started bonking a 19-year-old student – a friend of my nephew.

The two lads used to come round to ours and use my indoors pool when they were younger.

But I hadn't seen either of them for a few years.

Crotch

I am a wealthy widow and a little lonely, and when I bumped into him in the street the other day I said he could still come round for a swim whenever he wanted.

He blushed bright red and I could tell he fancied me, because I am still very well preserved and very busty.

The next day he came and we went for a swim together.

I made sure I put on a very revealing costume – my boobs were almost spilling out of the front of it, it was that tiny, and it was cut very high up at the sides and only just covered my crotch, revealing a distinct camel toe.

But I could tell he fancied me in it – he couldn't take his beady eyes of my cleavage!

And I also noticed his cock getting hard in his tiny swimming shorts.

So, without mucking about with any more flirting I whipped his young knob out and gobbled him for a bit, until I could feel his balls and cock twitch as he came close to coming in my mouth.

I then told him to lie down as I pulled off his trunks, slid my costume to one side, mounted him and rode him to till I felt his hot seed spurt inside me.

I rubbed my clit and carried on riding him for a bit more till I too came to a shuddering climax.

We rested a bit, then had a swim before doing it again. With him soon fully aroused again I let him take me doggy-style at the pool's edge.

I want him to come round all the time now, but I'm a bit conscious of our age difference – I'm 48.

What do you think?

SK, Chester

Dani says...

I THINK the age gap is quite big so make the most of it while you can. Sex is sex, at the end of the day. And age shouldn't be an issue – so long as you keep his cock happy!

Dear Dani,

I'M a 19-year-old blonde girl who still lives with my parents. Last Friday night me and my new boyfriend went back to my house.

Mum and dad were both upstairs in bed when we came in so we sneaked into the lounge and started necking on the sofa.

We were both feeling horny and he asked me to suck his cock. But just as I was licking the tip and rubbing his balls, my mum walked in and saw everything! She now wants me to finish with him. Please help!

RT, Swansea

Dani says...

YOU'RE old enough to decide who you have a relationship with.

Bexi says...

DOES anyone remember the Disney movie, The Black Hole? Very underrated.

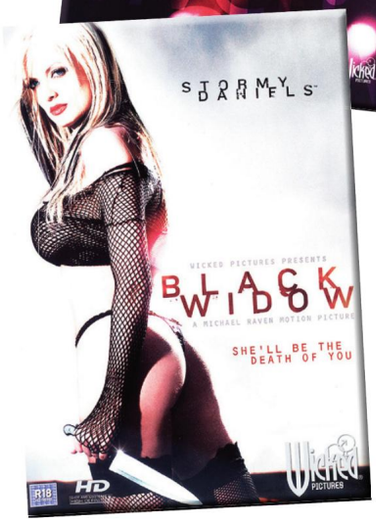
THERE'S NOTHING FAKE ABOUT THE SEX HERE

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!



PORN superstar Stormy Daniels is now the biggest porn star in the world thanks to her tryst with President Donald Trump.

The writer, director and star of dozens of hardcore movies recently told of her night of passion with the President of the United States, Donald Trump and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

We've got two amazing new Stormy titles for your to savour.

Stormy Driven and Black Widow are great examples of hardcore porn that has a story and characters you can believe in. Saying that, if you just want to get down to the f***ing there's plenty of that! Each of these discs would normally cost you £30 EACH in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pay £15 each or £25 for both! So, if you want to see Stormy taking some massive meat you know what to do!

RRP ~~£30~~ Bring this Sunday Sport & you pay £15 each
Or get them BOTH for just £25
